Merchandising Services

CDS takes pride in our ability to quickly coordinate and facilitate reoccurring and impromptu merchandising projects within the Costco environment. We can re-sticker items, perform audits and set up your display, regardless of the scope and size of the project.

Services Offered

Because of our long standing partnership, CDS has established relationships with Costco management and is fully compliant with and knowledgeable of all the rules and regulations in the warehouse. With full-time supervision at every Costco location we are uniquely qualified to implement and maintain the integrity of your valuable inventory.

Product Categories Served

Building upon 20 years of service to Costco, we handle a continuous rotation of merchandising services throughout the entire warehouse. On a daily basis, we work closely with warehouse operations to seamlessly coordinate multiple projects. Our advanced systems for planning, tracking, invoicing and reporting allow you to know the status at any time during the process.

"I am so thankful for the professional way CDS handles our business. I rest easy knowing that the magazine racks at Costco are kept as current, neat and tidy as if I was stocking them myself."

–Deb Belcher, Source Interlink

"I appreciate the quick response I got from CDS in confirming distribution and/or resolving the distribution gaps we were experiencing on our new product launch. This was the first major launch in five years for Bausch + Lomb and all eyes were on the key customers, including Costco."

–John Martino, Bausch + Lomb
